Hi John,

I just wanted to touch base here. I do not believe this is realistic to expect a 1.5 day turnaround on a request to review a document for mailing. Both Robert and I are tasked with many items to meet schedules. It would be appreciated if we could get a least a week turnaround on these requests.

Let me know if I am missing something such as the request being sent to us and I missed it.

Thanks,
Mike

Good morning Robert.

I received your out of office response to the email I sent you with the April 2018 CFAC Project Update brochure attached. I understand you will be back in your office on Wednesday morning.

I will be sending the brochure to the printer on Wednesday, April 4 at 2 p.m. EST. I hope that will give you time to take a look at it.

I have attached it for your convenience.
